Phil:

I know of no interagency agreement with DOI that we can use. Sorry. Funding mechanisms are challenging.

I forgot to ask.

Jeff, Is there an agreement we can use to streamline this process?

Phil --

Does HQ already have an Inter agency agreement in place with DOI for charters? If not, we'll need to see if we can initiate one on such a short time frame. Normally these things takes a little bit of time as there is paperwork that has to be done and signed by both agencies.

We are going to need the funding source (line of accounting for this) before we can move along.

Hi Marla,  
After developing a flight plan what is the next step for setting up the charter for September 27?
